Not won

Well, the fine Winter's day, with a cool breeze blowing, encouraged a good number of our veteran players out to take part in to-days event. Something a little different, with players being restricted to 3 clubs plus putter. It made our players wonder " why do I need all those other clubs in my bag??" . Congratulations to Darren Fletcher on winning his division and achieving the "Score of the Day". Well done to all other winners and placegetters.
