69 players enjoyed Saturday's very foggy weather which eventually turned into a beautiful sunny day which produced some excellent scores across all grades. Steve Eccles bounced back to form to win A Grade, on a countback, with a very pleasing 39 pts. Norm Redgrove finished runner up with the same score with Peter Mackenzie just behind them in third with 38 pts. Luke Simmons won B Grade with 39 pts as well, with Tom Lundy in the mix once again finishing runner up with 38 pts. John Burgess was third with 36 pts. James Elphick put it together once again in winning C Grade with the day's best score of 42 pts. Col Hughes could consider himself rather unlucky finishing second with an excellent 41 pts, with Garry Cuthbert a distant third with his 35 pts. 32 pts was needed to win a ball, meaning 48 players didn't reach that mark—probably a true reflection of the changeable conditions due to the fog and how tricky the Branxton Golf Course can be.
