Grades	A	Stephen Ross	35
Grades	B	Reece Caldwell	37
Grades	B	Noel Hughes	35
Grades	B	John Burgess	35
Grades	C	Mick Lutovac	36
Grades	C	Edward Neale	35
Grades	C	Garry Cuthbert	35
Ball Comp: 22 players on 32 pts			

Saturday was the first day of playing in 4s since the Covid-19 outbreak, with 74 players enjoying this opportunity on a bright, windless, warm Autumn day. Surprisingly the scores were quite low, with a very tight competition across all grades as 22 players won a ball but the best score of the day was 37 pts. David Matt continued his recent good form to win A Grade with his 37 pts—he has been incredibly consistent for many years, rarely putting in a sub average performance. Mick Tracey, another eternally consistent player, especially as he has always maintained a low handicap in all his years at the club, finished second with 36 pts with Steve Ross picking up another cheque, finishing third with his 35 pts. Reece Caldwell won B Grade with 37 pts, just ahead of veteran Noel Hughes and John Burgess with their 35 pts. Mick Lutovac won C Grade with his steady 36 pts, with Eddie Neale and Garry Cuthbert filling the minor placings. The Branxton Face Book page has all the updated information from the golf club, as does the website. The information about the change of golf conditions as outlined by the Golf Operations Committee is as follows:

“To all Branxton Golfers,

As per the easing of restrictions by the NSW State Government on Wednesday 13th May golf groups are now allowed to play in fours from Friday 15th May.

All other restrictions stay in place with social distancing being key to reducing the spread of Covid-19.

** You must remain 1.5 metres from playing partners at all times.*

** Only one person and one set of clubs per golf cart.*

** Flags are to remain in the hole at all times.*

** Bunkers are to remain GUR with a mandatory drop out.*

** No club supplied sand buckets.*

** No gathering after your round of golf.*

** The club remains closed until further restrictions are eased.*

Thank you for your understanding and please watch our Website and Facebook pages for further updates.

Golf Operations Committee

Branxton Golf Club

Stay Well and be Kind.”

I love the signing off message from the Committee!
