Saturday's Pre-Spring weather ensured good scores were needed to figure in the prizes. Mick Barrett continues to impress, once again winning A Grade with an impressive 39 pts, just ahead of Chris Lawrence and Greg Tearle who both had 38 pts. Errol Munzenberger, fresh from a recent practice game at the surprisingly tough Bulahdelah Golf Course where he shot the lights out, proved it was no fluke in winning B Grade with the day's best stableford score of 41 pts. He left the runners up Graeme McFarlane and Nick Wheeler in his wake with their 38 pts. Nicholas Redgrove won C Grade with 38 pts, well clear of runners up Robert Miller and Richie Turnbull with their 35 pts. 32 pts was needed to win a ball. Life member Gary Wilton showed he still has the skills with his nearest the pin in A Grade with another local veteran Ted Zawirski hitting the best shot in C Grade. On a lighter note our most promising golfer Corey Lamb who has the golfing world at his feet scored a hole in one, with a pitching wedge, on the 9<sup>th</sup> in a casual game on Saturday afternoon—his first hole in one—just goes to show how hard they are—congratulations Corey—many more to come.
