Saturday's Stableford was played in balmy still conditions after an overnight storm ensured the course was a little more damp than usual. Paul Bush has found his form to win A Grade with a very impressive 40 pts finishing well clear of runner up, local legendary veteran Gary Wilton, with 37 pts while Chris Zawirski finished third on a countback with his 36 pts. Former Club Captain, Murray Johanson, who is returning to golf after a knee reconstruction, won B Grade with a pleasing 36 pts, defeating Neil Jordan on a countback, with John Burgess third with his 35 pts. The day's best stableford score was recorded in C Grade by Andrew Keogh—a 42 point score, 6 better than his handicap—a great score. Lennie Porter had a great day finishing runner up with his 39 pts which included a nearest the pin on the last, while Darrell Fletcher finished third with his 34 pts. 33 pts was needed to win a ball. The shot of the day belonged to Barry Turner who's shot to the last finished around 50 cms from the hole—it landed a couple of metres short of the hole before running up to be next to it—so close to a hole in one. A great round of golf was played by Lee Heuston who had 36 pts from his now 1 handicap—Lee has certainly found his game and is now starting to consistently show his skills each week—he will be another contender in next year's club championships. A reminder to all Pennant players that names are now being taken for all grades—the sheets are in the club house.
