

Branxton Ladies Golf

Golf NSW Medal State Final

The 2020 State Final was held on 2nd December at the Stonecutters Ridge Golf Club in Sydney with 46 players from across NSW and the ACT competing in three divisions.

Local members Neridah Busch and Trish McMillan won their divisions here at Branxton and then went on to win their divisions at the Hunter River District Ladies Medal event held at Cypress Lakes, which earned them a place in the State Final.

Although 2020 wasn't the year for them to bring home the trophies they both played well – Trish with a nett 79 and Neridah with a nett 86.

Golf NSW presented all finalists with a medal, shirt and cap to mark the event and treated all to a two course lunch while Country and Metropolitan Divisional Winners were presented with their awards.

Our Ladies in action - well done!
