Members draw – Not won

A warm Summers' day, very light cloud and a gentle breeze provided comfortable playing conditions for to-day's event, pleasing some 48 starters from our veteran group.

Congratulations to Glen Fletcher and George Anderson on winning the round, with a very good score of 41 pts, being chased down by a salivating pack, vying for a place. Well done to all place getters and to those who participated, to make the a day a success.
