NTP 9/18	B	9th Neil Jordan	24cm
NTP 13	A	13th Peter Conroy	310cm
Balls		21 Distributed down to score: 32	

Saturday's good field of 69 players enjoyed some tough conditions with the pins set at "Championships" mode and the tees set back at maximum length—Captain Steve Ross hasn't been well of late so he ensured all golfers suffered with him! Kyle Mounser (one of only 4 players to beat their handicap) won A Grade with the day's equal best stableford score of 38 pts, on a countback from Ian Barnes who was very pleased with his round. To make his day even better Kyle teamed up with Gary Musilak (who was runner up in B Grade) to beat the epic duo of Mick and Joshua Tracey for a keno ticket—Joshua's near par round wasn't good enough! Dave Hodges finished third with his 36 pts, a round which included two chip ins for birdie (the 4th and 13th)—the same hole. His 13th was the best after he complained about a poorly hit tee shot that finished in front of the green before chipping in. Barry Turner had a good day out to win B Grade with his 37 pts, also on a countback from Gary Musilak with Neil Jordan third with his 36 pts. The tough conditions were exemplified in C Grade where only 34 pts was needed to win with Robert "Shirl" Miller finishing the victor, just ahead of the 2020 C Grade Club Champion Matthew Bain's 34 pts with Steve Primmer claiming third place with his 32 pts. Greg Gillard (30 cms) and Neil Jordan (24 cms) won the nearest the pins on the last hole with two near hole- in- ones—great shots. 21 players recorded 32 pts or better to win a ball meaning 48 players didn't reach this level.
