An excellent field of 75 players enjoyed the sunny conditions after the last few weeks of driving rain inundated the Branxton course. The course has dried out beautifully considering it was under water earlier in the week—carts were allowed with cart tracks clearly outlined to preserve the course. The 4 Person Ambrose event, gratefully sponsored by Whitelaw McDonald Solicitors and Attorneys allowed many prizes to be won on the day. The team of Greg Noble, Jimmy Sheedy, Gary Train and Errol Munzenberger (who just celebrated his 3 score plus 10 birthday) won the event with their 55.625 nett score. A great effort from these Senior boys showing the young guns how it can be done! The scratch winners with a 10 under 60 were Joshua and Mick Tracey, Isiah Wolferstan and Kyle Mounser—a quality team with a quality score. The runners up in the nett event were Toby Grant, Dean Fowler, Sally Lamb and Kerrie Fry with 56.25. Third went to Murray Joahmson, Daryl Sheppard, Trent McGee and Peter McKenzie .75 pts back. The major prizes went to 7<sup>th</sup> place with long drives and nearest the pins also won on the day. A reminder to all members that the first round of the singles knockout has been put back two weeks after the recent course closure and the greens will be cored early this week.

The B Grade Pennants team unfortunately lost the final at Kurri on Sunday to the undefeated Maitland team, valiantly going down 4-1 with 3 matches going down to the wire. It was a great effort from a very young and talented team. A few of these players will be playing A Grade Pennants in the near future.

Other news includes our current 2020 A Grade Club Champion, Corey Lamb, trying to make his way into the Professional ranks—he will play in the 1<sup>st</sup> stage of the qualifying school at Twin Creeks from the 7<sup>th</sup> to 9<sup>th</sup> April. If he is successful here, he qualifies for the final stage at Moonah Links from the 13<sup>th</sup> to the 16<sup>th</sup> April where the top 50 players can gain some type of professional status (top 30 gain a start in most events). We wish him well as his recent performance in the NSW Open showed he has what it takes.
