NTP 9/18	A	9th Gary Wilton	205cm
NTP 13	A	13th Paul Bush	555cm
Balls		18 Distributed down to score: 31	

Only 5 players broke their handicap on Saturday on a day where only 31 pts was needed to win a ball. Andrew Bercini made a comeback to golf to win A Grade with a very solid 38 pts, on a countback from Greg Tearle. Chris Zawirski once again finished in the placings with his 34pts good enough for third. Former Club Captain Murray Johanson played very consistent golf to win B Grade with his 38 pts. I'm sure his new playing partner, his wife Karen, is motivating his game as she continues to improve her overall game. Jordan Wilkinson finished runner up a point behind with Barry Turner, fresh from an ankle injury third with his 35 pts. Anthony Wilkinson easily won C Grade with the day's best stableford score of 41 pts, with Richie Turnbull and the 2020 C Grade Champion Matthew Bain filling the minor placings. The talented Joshua Tracey displayed his great iron play ability by winning two nearest the pins on the 2nd and 4th holes. The big Pennant news is the B Grade team has qualified for the final against Maitland next week at Muswellbrook after their last game (against Maitland) was washed out at Singleton. The team was leading 3 games, square in one and down in one when the rain hit (Ironically against Maitland) so they will go into the final with some confidence.

Pennant Results

A Grade: washed out

B Grade: washed out (qualified for final) against Maitland at Muswellbrook next week.

C Grade: washed out

Slow Play tips

If you have a pre shot routine longer than 15 seconds you should review it – it will probably benefit your game as well.

If your ball is nearest to the hole and someone has just played out of a bunker – offer to rake it for them so they can take their shot - think “team” not individual
