NTP 9/18	A	9th Tony Seamer	66cm
NTP 13	B	13th Allan Jack	
Balls		12 Distributed down to score:	30

Norm Redgrove played beautifully to win Saturday's A Grade Stableford competition with an excellent 39 pts, on a day where only 30 pts was needed to win a ball. Lee Hunt returned to form to finish runner up with 34 pts with Ben Dilley third with the same score. Troy McCaw had a day out in easily winning B Grade with a superb 44 pts, 9 pts clear of runner up Joe Bereza's 35 pts with Geoff Geason third with his 34 pts. Steve Primmer picked up another winning cheque in winning C Grade with his 31 pts, just ahead of James Elphick and Ted Zawirski. Tony Seamer once again hit the shot of the day on the 9<sup>th</sup> finishing only 66 cms away. The good news for the club is that we now have a new green keeper who started on Tuesday and from all reports he has impressed everyone. Next week's competition is a new event – bisque bogey v par (I have no idea how that is played so it will be a surprise for all players!)

**Rule Tip for the Week**

**Rule 15.3: Ball on putting green helping play.** Rule 15.3a applies only to a ball at rest on the putting green, not anywhere else on the course. If a player reasonably believes that a ball on the putting green might help anyone's play (such as serving as a possible backstop near the hole) the player may: Mark the spot of the ball and lift it under Rule 13.1b and then replaced on its original spot. In stroke play only, if two or more players agree to leave a ball in place to help any player, and that player then makes a stroke with the helping ball left in place, **each** player who made the agreement gets the general penalty of two penalty strokes!
