Eddie Garland played a great round on Saturday to win the Centenary Trophy in 40-50 knot winds—the north-westerlies are famous around Branxton, making scoring very difficult—even standing to hit the ball was a task! Eddie's nett score of 71 won him the day, as well as the B Grade daily event. Dave Matt showed how it can be done in winning the A Grade nett competition with an excellent 72 nett, just ahead of Dean Fowler and Nick Wheeler, both with 74. Club President Richard Crooks finished second in B Grade with his 73 nett with Mick Carling third with a 75. Andrew McGovern's 73 won him C Grade with Paul Brown runner up with his 75. Junior James Hale, visiting from Mudgee for the day with his father Mark, had a great day finishing third with his 76. The shot of the day belonged to Dave Hodges on the 2nd, finishing only 79 cms from the pin. Bryan Worms won the Pro Shop Voucher worth \$118 with his shot finishing only 251 cms away on the last—certainly making his day a memorable one. As an aside, the best scratch scores for the day were scored by former champions and low markers from our club including Brent Watson with an amazing 74 in treacherous conditions, Josh Tracey and Cameron Johanson 2 shots back on 76, and Fifteen- time Club Champion Mark Hale a stroke further back on 77—a great effort by these 4 excellent players. The club was very generous with 51 players winning a ball with only a nett 87 needed!
