Mick Tracey showed his class in winning Saturday's Stableford Competition with an excellent 38 pts, just ahead of the very talented Lee Heuston on 36 pts, with former Club Champion, Joshua Tracey, also showing his class, finishing third with his 36 pts as well. Izach Dennis won B Grade with his 37 pts, just ahead of former long -time Club Captain, Murray Johanson, with the same score, despite not scoring a point on the 9<sup>th</sup>/18<sup>th</sup> holes—his round could have been anything! Eddie Garland continued his run of good form, finishing third with his 35 pts, a round which included a great eagle on the 7<sup>th</sup>. Scott Duncan blew the field away in winning C Grade with the day's best stableford score of 43 pts—a sensational score on a day where only 31 pts was needed to win a ball. Robert "Shirl" Miller and Murray Kingston filled the minor placings with their 36 pts. The shot of the day belonged to Rob McMillan, finishing only 140 cms away in C Grade, with Mitchell Cox winning the Pro's Nearest the Pin and a \$106 voucher. 56 players enjoyed golf at "Royal" Branxton in these COVID times—those of us in exile living out of the Local Government Area and too far away can only look on in envy. From all reports the course is looking great so it should be enjoyed by all once the restrictions are finally lifted.
