A GRADE	Ben Bridge	320cm
B GRADE	Neil Bridge	652cm
C GRADE	Lennie Porter	710cm

PRO'S NTP 18TH HOLE – KYLE MOUNSER 320CM - \$92 PROSHOP VOUCHER

A strong field of 48 players enjoyed playing golf in the middle of this pandemic lock down, with those of us outside the 10 kms area unable to participate. Congratulations to Lachlan Kauter in producing an outstanding round and winning the overall Monthly Medal with his nett 65—the only player to break his handicap—I assume he was playing the same course! Dean Fowler showed how it can be done in winning A Grade with a very solid 70 nett score, just beating Peter Wilton's 71 (a near par round from this talented golfer). Norm Redgrove returned to form to finish third with his 72 nett score. Andrew McGovern won B Grade with his 75 nett, just ahead of Neil Bridge with the same score, with Gary Walsh third with his 77 nett. Nicholas Redgrove won C Grade with his 74 nett with Pip Lancaster and Sam Bridge filling the minor placings. The winning scores in each grade showed how difficult the conditions were (unless everyone is suffering from post-pandemic virus symptoms!) A 77 nett was needed to win a ball. The shot of the day belonged to Ben Bridge in A Grade, finishing only 320 cms away. Kyle Mounser won the Pro's NTPin on the last giving him some money to spend in the pro shop. Club Captain, Steve Ross, wants everyone to know that the Foursomes Championships, scheduled for next weekend, have been postponed due to the lockdown. There will be a stableford competition instead. He also wants to thank everyone for their assistance in playing the Competition in pairs and changing their tee times with such short notice.
