Balls	16	Distributed down to score:	31

Pro's N.T.P 18th Hole Nick Wheeler = 229cm Pro shop Voucher

Mick Tracey showed how it can be done in producing a stunning 2 under par score to win Saturday's Stableford event with an outstanding 42 pts, which included the shot of the day with his tee shot finishing only 63cm away on the 11th. His score is even more creditable considering he was 3 over par after 4 holes. 6 birdies later—5 on the back nine, allowed him to sign off with his sub-par round. Last weeks A Grade Champion, Joshua Tracey, wasn't to be outdone by his father as he also had a 2 under par round, finishing runner up with his 39 pts. Toby Grant, playing with the Tracey's, was caught in their slipstream, finishing third in A Grade with his 35 pts. Dave Kinch won B Grade with an excellent 41 pts, just ahead of Dave Hodge's 39 pts with Gary Wilton, turning back time, finishing third with his 37 pts. David Pearce played well again in C Grade, winning with his very solid 41 pts, on a countback from James Elphick, with Geoff Geason third with 40 pts—it certainly was a tough school in C Grade. 31 pts was needed to win a ball. Nick Wheeler won the Pro's Nearest the Pin on the last with his tee shot finishing only 229cm away. The Pennants season started over the weekend with A Grade playing Muswellbrook at Kurri. B Grade, C Grade and the Seniors start next weekend with B Grade playing Kurri at Paterson, C Grade playing Kurri at Kurri and the Seniors travelling to Scone to play Denman.
