A very pleasing field of 62 participated in the annual Par 3 Championships on Saturday. Victor Matt won the overall championships with an even par 54, on a countback from former Club Champion Cameron Johanson. Victor had 2 birdies on the last three holes which proved the difference in his countback win. Brendan Clark won B Grade with his 61 scratch score, just ahead of the remarkable veteran Gary Wilton with 62. Luke Matt, son of Championship winner Victor, won C Grade with his 69 scratch score—a great day for the Matt family. According to Captain Steve, the day was thoroughly enjoyed by all with many positive comments received from those playing the par 3 course for the first time. He would like to congratulate former Captain Murray Johanson for all his work in setting up the course. There was no NTP on the 4th as this was a tricky tee shot from under the tree behind the usual tee. All scratch and nett winners will receive their prize at presentation night in November. Captain Steve also wants to remind everyone that entries for the singles knockout close on 12 March, and that the rescheduled 2021 Pete Mathews Memorial Cup will also be held that day which will be a 2BBB plus singles event.
