A small field of 33 players enjoyed the Branxton Golf Course that is still suffering from the recent wet weather but is looking much better with defined fairways and improving greens. The soft fairways do make good scores very challenging with only 31 pts needed on Saturday to win a ball. Gary Anderson made a winning return to golf after some time away from the sport, recording 36 pts to win A Grade, one clear of Club Captain Steve Ross. Doug Elphick won B Grade with his 34 pts just ahead of John Burgess with 33 pts. Hunter O'Neill must have been playing a different course, winning C Grade with an amazing 45pts--a great score in any conditions. Riley Maytom was runner up with 40 pts, a score that would have easily been good enough to win on most days. He also recorded the shot of the day, a near hole in one on the difficult 13th, finishing only 15 cm from the pin. Eddie Garland won the Pro's Pin on the last--a great way to finish your round.
