Balls	8	Distributed down to score:	78

Pro's N.T.P 18th Hole Peter Wilton 2cm - \$44 Pro shop Voucher

A small field of 27 players competed in Saturday's Monthly Medal, a stroke event which tested all golfers, still coming to terms with the wet conditions which were made worse by Friday night's extra rain. The day belonged to the very talented, and most consistent golfer, Peter Wilton who won the Monthly Medal with an outstanding 68 nett, a near par round, on a day where a nett 78 won a ball. Peter finished 8 strokes clear of runner up David Matt. Pete's score included a NTP on the last, which finished only 2 cm from the pin—what a shot! He also won the NTP on the 4th, displaying his wonderful iron play once again. Peter Conroy, making a rare appearance in B Grade, easily won his grade with an excellent 70 nett score whilst John Bowen's nett 72 won C Grade.

Club Captain, Steve, wants to remind everyone that the Branxton Open will be played on the 19th June, so with the windy weather continuing the course now has a chance to dry out. At the moment, to ensure the course is ready for the Open, there are some roped off areas which are no cart zones. To put it into perspective, Newcastle Golf Club has the same problem on their 15th, 16th and 17th holes where players must tee up on these holes in the roped off areas due to the very wet conditions. Steve also wants to remind everyone to read the Local Rules Board before playing each round, looking for marked off areas of GUR. The Pairs Knockout entries are due by the 25th June.
