Thursday's 18 hole Par 3 Stableford produced some excellent scores across the field, with many players recording improved scores on the 2<sup>nd</sup> nines and also indicating their preference for playing Par threes. Keith Anderson recorded the best score of the day in winning Division 1 with an excellent 40 pts. His 22 pts on the back nine enabled him to take out the competition, on a countback, from the unlucky and evergreen Gary Wilton with the same score. Lee Hunt continued his recent excellent play, finishing third with 38 pts, just ahead of Greg Noble with the same score (and playing off a 5 handicap). 35 pts was needed to win a ball. Ray Showman won Division 2, once again, with a fine 39 pts, which included a wonderful 23 pts on the back nine. Peter Tracey's 37 pts was good enough for 2<sup>nd</sup>, with 35 pts also need to win a ball in Division 2. Alanna Howell won the Ladies with 35 pts, well clear of runner up Jane Johansen with her 31 pts. Jan Davidson and Di Goodare filled the minor placings. Surprisingly, the Nearest the Pins were both won by Brett Trezise and Jan Davidson, making them the equal Sharpshooters for the day.
