Mark Moylan's impressive return to golf continued on Saturday as he took out A grade with a very good score of 38 points. Club Captain Steve Ross also found some long lost form to take second place with 37 points, including the NTP on the 13th hole. Reece Caldwell compiled an excellent score of 39 points, including a gem of a shot to take the NTP on 9/18th, to easily take out B grade. Gary Walsh had a steady 33 points to take the runner's up prize. Steven Primmer had the score of the day with an outstanding 42 points to leave the rest of the field in his wake. After an incredible front nine of 24 points, his playing partners claimed that he "threw off" on the back nine by only playing to his handicap with 18 points. Luke Tarrant had a good day out with a well compiled 36 points to take second place. Greg Tearle took the NTP on the 2nd/11th hole with a fine shot to a tricky green. Geoff Geason's NTP of 10 metres on the 4th hole shows that you should always write an NTP measurement down if you get it, because you never know what the rest of the field is going to do! Richard Crooks and Richie Turnbull have claims for shot of the day bragging rights after both chipping in from distance on the 6th and 17th holes respectively. Our greenkeeper Brett Hutley took out his first Pro NTP to end his round on a high.
