NTPins: 13th: Men: Jim Sheedy **18th: Ladies 2nd shot:** Jan Davidson **Men:** Greg Noble

37 players enjoyed the improving Branxton Course on quite a hot Thursday morning, with solid scores recorded across the field. Tony Seamer “turned back time” in winning Division 1 with an excellent 29 pts, just ahead of Greg Noble with 28 pts (off his 5 handicap). Alan Jack and Gary Musilak filled the minor placings, with 24 pts good enough for a ball. In Division 2, club President, John Atton finished in front with his 29 pts and had the score of the day (on a countback from Tony). Peter Sekulich’s trip up from Bonnell’s Bay was fruitful as he finished runner up with 28 pts, with Jeff Jones and Pip Lancaster filling the minor placings. 24 pts was also needed to win a ball in Division 2. Leeanne Daniels’s 25 pts was good enough to win the Ladies Competition, with Jan Davidson (23 pts) and Marg Hunt (22 pts) finishing 2nd and 3rd respectively. Jimmy Sheedy (13th) and Jan Davidson and Greg Noble won the NTPins. The “new” handicapping system came into play at Branxton on Thursday, with the full 14 holes now converted to an 18-hole score, meaning handicaps are now impacted every Thursday (not every two weeks, for 9 holes, as before). That means “filling in” two points for each of the 4 holes not played each Thursday to make up the difference—an interesting way to do it!
