A glorious Autumn day for golf saw a good field of 50 players take part an annual event sponsored by Murray and Karen Johanson. This year Murray and Karen chose to host a pairs aggregate stableford event, meaning both players needed to play steady golf for the entire round. With the fairways in great condition and the greens recovering well after renovations performed earlier in the week, scores around each player's handicap were needed to be in the mix. In the pairs event, Mick Carling and David Pearce played steady golf and took out the event with a team score of 69 points on a countback from Bob Biles and Darrell Fleming. Lee Hunt partnered Ted Zawirski to come in third on 65 points. Ted's pre golf strategy of having a grandpa nap before golf rather than after it did the trick for him this week. The remaining prize places from 4th – 7th were filled with teams who all scored 64 points, with the countback algorithm in full swing to determine the places. In the singles event held across the field, Dean Clack bounced back to form to win with an impressive 38 points, one point clear of the consistent Bill Davies on 37 points. Chris Zawirski had a good back nine to take the countback for third place on 36 points. NTP's went to Neil Jordan on the 2nd/11th hole, current club champion Cameron Johanson on the 4th and David Kinch on the 9th/18th. The 13th hole got the better of the entire field with no NTP recorded. Shot of the day went to Joe Bereza as he took out the Pro Pin with a great shot to 152cm. The club would like to thank Murray and Karen Johanson for their sponsorship of the day and their long term support of the club both as sponsors and volunteers.

Singles knockout Round 2 results – Robert Biles def Murray Kingston, Cameron Johanson def Steve Eccles and Andrew Keogh def Richard Crooks on the 2nd extra playoff hole.

Ahead on Saturday May 18 is the Club 2 Man Ambrose Championships.
