47 players participated in the Gary Beaton Memorial Day with results “ungraded” with the stableford scores determining the winning scores. Robyn Friis had a great day, winning the event with her 30 pts (and \$100 prize). Greg Noble continued his great form from his 4 handicap, finishing runner up with 29 pts. Ball winners were spread across the field. Robert Hale made a rare visit to the Vets’ picking up a \$50 prize off the board. It was great to see Gary’s family in attendance for the Memorial Day—it is a small way in which the Branxton Golf Club can continue to play golf with his memory never forgotten.
