Pip Lancaster finished in the news once again this week, this time for winning Division 1 with his excellent 29 pts, defeating George Anderson and Peter Conroy on a countback. 24 pts was needed to win a ball. Jeff Flynn had the round of the day, winning Division 2 with an outstanding 34 pts, completing the last 5 holes with 13 pts. Peter Sekulich (30 pts) and Michael Lipscombe (30 pts) completed the minor placings. The most pleasing round of the day came from our nonagenarian, Robert Hain, who finished 4th with a fantastic 28 pts, after finishing his last 5 holes with 16 pts (that's over 3 pts per hole)—well done Bob! 25 pts was good enough to win a ball in Division 2. Jane Johansen's excellent 31 pts made her a clear winner in the Ladies, with Di Goodare (28 pts) and Alanna Howell (25 pts) filling the minor placings. Jane also had a nearest the pin on the last, with Club President John Atton hitting the best shot from the men at the last hole.
