Cool and overcast conditions greeted the field for 2024 Club 2 Man Ambrose Championships. Current club champion Cameron Johanson paired up with former club champion Josh Tracey to form a formidable team and while not blowing the field away, they were the only team to break par to take out the event with a solid scratch round of 66. Bill Davies' sound short game was backed up by some great putting by Captain Steve Ross, with the pair combining beautifully to put together an even par 70 and take out the scratch runners up prize. In the nett event, Graham Bull and Doug Elphick had a day to remember with an excellent score of 58.25 to take the nett winners prize by 4 shots. Time Lane and the ever improving Luke Tarrant were runners up with a fine nett score of 62.25. Josh Hare and Murray Johanson had a great back nine and this helped them into third place with 66, just 0.25 shots ahead of Andrew Keogh and Peter Mackenzie. Reece Caldwell teamed up with Chris Zawirski to take the final prize on offer another 0.5 shots back. Nick Wheeler's good iron play saw him take the NTP on the 2nd, with Luke Tarrant hitting a great shot into the 4th. Graham Bull's shot from the back tee to take the NTP on the 13th must have looked good in the air, while Dean Clack hit the shot of the day into the 9th hole to 112cm (unfortunately the birdie putt didn't drop). Peter Conroy took the Pro NTP and we'll see if he shares it with his partner :) Thanks to our greenkeeper and the volunteers who helped get the course in great condition for today's event after all the recent wet weather.
