42 players enjoyed the 2BBB on Thursday, with Jimmy Sheedy and Greg Noble combining wonderfully well to win the event with an excellent 36 pts, a score which included 24 pts on the front nine. These two excellent golfers do not have many shots given to them with their play exemplified by the fact that Jim won the NTPin on the last and Greg the NTPin on the 2nd—a great effort. Roger Yandle and Jan Davidson finished runners up with 34 pts. Roger also won a ball playing with Di Goodare, so he had quite a day being the “swinger” in that group. Di’s iron play was on fire as she won both nearest the pins for the Ladies. 30 pts was needed to win a ball. The Wombat Leaderboard still makes interesting reading, with James Scott (9 balls) the leader on the 2nd May—he won another one today! Robert Brooks, Peter Conroy, Alan Jack and Murray Kingston are all one behind. Incidentally, each one of these players also won a ball today, indicating some very consistent form.
