NTPins: 2nd: Mike Ryan **18th:** Mick Barrett **Ladies:** Di Goodare

45 players participated in the Guy Cornwell Memorial Day, commemorating the memory of one of our local Vets, Guy Cornwell, who died suddenly in 2016. His love of golf, despite being a "leftie", is an excellent way in which to remember this very popular golfer. It was fitting that one of his best mates, and regular playing partner, Roger Yandle finished runner up in Division 1, performing well as he did when playing with Guy. Chris Thomas, in one of the last groups to finish, won the day with a wonderful 36 pts, 5 pts better than his handicap. His score included an excellent 24 pts on the front nine. Errol Munzenberger finished runner up, only one point behind after looking the winner until the last minute. Eddie Barrett continued his excellent Branxton form to win Division 1 with a very solid 31 pts, with Roger Yandle runner up with 26 pts. Mike Ryan was next, on a countback. Aside from the major winners who were both in Division 2, Richard Chalmers was the winner of Division 2 with his 28 pts, just beating both John Atton and Dennis Wright on a countback. Alanna Hwell won the Ladies, also on a countback from Jan Davidson, after they both finished with 27 pts. Ruth McCarthy was next with her 22 pts. Mike Ryan, Mick Barrett and Di Goodare all hit the best shots to the par 3s.
