40 players enjoyed the novelty 3 Club plus putter event with some scores clearly showing that we really don't need all those clubs in our bag! Ian Howell was the Division 1 winner and the Overall Winner for the day with an excellent 28 pts. He also followed that up with a very solid round at the difficult Pacific Dunes course on Tuesday, demonstrating an excellent short game combined with some very straight shots from the tee. Well done Ian! Jimmy Sheedy showed his class to finish runner up with 26 pts, whilst 22 pts was needed to win a ball. Peter Sekulich enjoyed his drive from the lake in winning Division 2 with his 26 pts. Jeff Flynn was runner up a point behind in a round where he scored more points in his last 9 holes than he did for the first 9 holes. He must have needed some time to warm up! 21 pts was needed to win a ball in Division 2. Robyn Friis continued her excellent recent form in winning the Ladies with her 27 pts, finishing her last 5 holes with a superb 13 pts. Alanna Howell made it a great day for the Howell family in finishing runner up (on a countback) with Jane Johansen and Robyne McCarthy only a shot behind, in a very competitive Ladies Competition.
