Perfect Spring weather greeted the field for the 2024 Whitelaw McDonald Lawyers 4 person ambrose day. A very good field of 60 players took to the course with a great day had by all. As with many ambrose events, having a bit of luck around the greens can make the difference in team scores and that was evident again today, with some monster putts sunk around the course. With each team having to take four drives from each player, it was a true team event. The team of Andrew George, Ben George, Christian Thompson and Luke Tarrant had a great day out to win the net event with an excellent 51.5. The team played perfect ambrose golf, and when Andrew sunk a mammoth putt from the back of the 8th green to a tricky front pin on the bottom tier, they knew it might be their day. The runners up in the net event were Sean Constable, Christopher Hincks, Charlie Low and Ian Searles with a score of 54.87. Ian is well known for his exploits on the local tennis scene, but he was able to swap codes with ease today. In the Scratch event, the team of Geoff Jones, Mick Martin, Norman Pringle and Gregory Tearle found the right number of birdies to post a great 8 under 62. They were one shot clear of four teams on 63. As can be seen in the results, the golf operations committee have decided to name two teams as joint runners up in the scratch event due to an unfortunate glitch in the scoring computer on the day. Apologies for any inconvenience caused. The NTP's were keenly contested all day, with Murray Kingston's shot to 64cm on the 4th hole the best of the day. Norm Pringle rounded off a great day by taking the larger than normal Pro NTP on the 18th hole. Of note was the fact that no A grade player won the NTP on the 4th hole. Looking around the room during the presentations, it would appear that some A grade players did find the green but must have thought that someone would get inside their shot so didn't record it. It shows that it is worth writing it on the board because it might be good enough at the end of the day.

The club was honoured to have Paul Harragon attend the day as a special guest presenter on behalf of our sponsors Whitelaw McDonald Lawyers. Paul not only presented the prizes, but happily gave up his time to sit and speak with the players individually. We thank Paul for giving up his time and appreciate his effort in attending our golf day. Finally, and importantly, a huge thanks to Matthew Berenger and John McDonald from Whitelaw McDonald Lawyers for their efforts in bringing Paul to the club, and we sincerely thank them for their continued support of Braxton Golf Club.

Upcoming Events

The new turf for the 2nd and 4th greens will be laid on Tuesday 17/9/24. Any volunteers that can help would be most welcome from 7am onwards.
