Ladies: Jan Davidson and Ruth McCarthy

The Ladies took all before them on Thursday with only 3 ladies playing this week, they competed in the Division 2 Competition. Jan Scobie had the Score of the Day in winning Division 2 with an excellent 36 pts, only winning on a countback from Ruth McCarthy with the same score. Ruth also won both Nearest the Pins, indicating how well she was playing. Jan Davidson was only 2 pts behind them, also sharing a NTPin on the last with Ruth. Robert Brooks won a very competitive Division 1 with a great score of 32 pts, also only on a countback from Murray Kingston with Mick Barrett, very unluckily came third with the same score, after having 23 pts on the front nine. 28 pts was needed to win a ball whilst 26 pts secured a ball in Division 2. Pip Lancaster and Errol Munzenberger were the sharp shooters for the men.

On another note, an incredible thing happened with the Newcastle Vets last week where two of our members, Tony Seamer and Errol Munzenberger both had a hole in one—on different holes but playing in the same group—that is quite amazing. A wonderful feat from these two stalwarts from the Branxton Golf Club. Tony had his hole in one at the 5th hole at the Belmont Course whilst Errol had his on the long 13th (170m). Errol hit a driver, into the wind, with the group ahead watching on and in it went! What an effort from both players! I have attached some photos to highlight their achievements. Also, Gary Musialik won the competition at the Toronto course on Monday, having 41 pts. Well played sir! The Branxton Vets are doing very well around the traps!
