Greg Noble showed his class in winning this year's Thursday Vets Championships with an excellent 118 strokes over his two rounds. He finished 4 strokes in front of Craig Howe, who played very solidly for his 122 total, which included a 59 in the last round today. Club legend, Gary Wilton, showed he still has the skills to compete in all competitions in winning the stableford event whilst former Vets Champion, Eddie Barrett won the Stableford Competition. Gary Taylor had an impressive win in Division 2, finishing 8 strokes in front of runner up Pip Lancaster. Jan Scobie won a very competitive Ladies Championship, defeating overnight leader, Jan Davidson on a countback after having a 77 (to Jan's 80) during the last round. Robyn Friis (net) and Robyn McCarthy (Stableford) won the other major prizes. Congratulations to the committee, and especially Club Captain Graham Sheldon for organizing and running this event, with the seamless presentation proving to be an excellent finale to the championships.
