NTPins: 18th: **Mens:** Peter Sekulich **Ladies:** Nerida Busch

52 players enjoyed the 2 Ball Multiplier event on Thursday, where both player's stableford points were multiplied for each hole so you definitely didn't want to have a zero score on a hole where your partner scored 4 points—a bit of pressure there! Geoff Jones and Nick Wheeler “blew the field away” in winning the event with an excellent 73 pts—there was obviously no zero points affecting their scores. Pip Lancaster and Brett Trezise finished runners up with 67 pts (both these players consistently figure in the prizes—I'm now getting used to spelling Brett's surname!). Keith Thomas and Neil Bridge were third, only a point further back. 55 pts won a ball. The sharp shooters for the day were Peter Sekulich and Nerida Busch on the last, with no NTPin on the 2nd. The Vets Championships begin next Thursday, a 2- round event for all grades, with plenty of prizes on offer. Please remember that prizes are not only won by the Scratch Winners and Runners Up, but also for Nett and Stableford Winners (and Runners up) in Division 1 and 2 and the Ladies. You can only win one prize so it is worth “having a go”. Good luck everyone.
