Pro's NTP – Steven Primmer 437cm = \$78 Pro shop Voucher

Robert “Bobby” Hale had a day to remember as he shot his first ever hole in one on the 4th hole. A perfectly hit gap wedge to the temporary green looked on target from off the tee, landing on the front edge and rolled into the cup. Needless to say, Bobby was very excited and congratulations on ticking one more thing off the bucket list. He managed to keep his round going to post a solid 36 points. In A grade Steve Ross’ return to form continued with a well made 38 points to take the win. David Kinch took second with 37 points that included two “wipes” that without having would have given him the win, but as he said, “That’s golf.” Peter Conroy also had 37 points but had to settle for third after a countback. Mick Martin had a very good day and shot 40 points to win B grade from Reece Caldwell on 38 points. Ben George shows no sign of letting up the good form now he is in B grade, taking third position with 37 points. In C grade Matthew Schnell blew the field away with an incredible 45 points and one of his best rounds ever. He was 9 points clear of 2024 C grade champion Andrew Keogh whose 36 points was a strong score. Gary Walsh took third on 34 points on a day where some of the other C grade players struggled to trouble the scorers. After Bobby’s hole in one the other NTP’s seem to be a mile away from the pin, with Mick Barrett taking the 2nd hole and Peter Conroy the 13th. Steven Primmer had the rare event of taking the NTP on the 9th and then also taking the Pro NTP on the 18th hole. His irons were certainly on song on that hole today.

The 2024 Club Presentation Night was held on 9/11/24. The night was a chance to celebrate the achievements of our golfers throughout the year. The night was well supported and thanks to all members and their families for attending. A great night was had by all and congratulations to all prize winners and thanks to the golf operations committee for a well organised event.

The mixed pennants competition finishes this Tuesday. Nominations for the 2025 men’s pennant teams remain open until 23/11/24.

Upcoming Events

November 16 is the final red tee event for the year and will be a stableford event. The Captain v President Day on 23/11/24 has been postponed and now be a Par event.
