The round of the day undoubtedly belonged to Garry Train who won Division 2 with an outstanding 37 pts, 9 shots under his handicap which will be equivalent to 45 pts for the 18 holes-what a round. He finished 6 shots in front of Gary McCarthy's 31 pts, an excellent round in itself. 25 pts was needed to win a ball in Division 2. Ian Howell continued his recent good form in winning Division 1 with a very solid 30 pts, 2 pts in front of Nick Wheeler with 28 pts. 25 pts was also needed to win a ball in Division 1. Jane Johansen won the Ladies, on a countback from R.Williams, who both had 30 pts. Jane had a real day out as she won both nearest the pins, a rare feat indeed. Gary McCarthy and Jimmy Sheedy were the sharp shooters for the Men. A reminder that the Branxton Vets "Free day out" is scheduled for Monday, 18th November at Waratah which is always an excellent course in which to play. Our thanks go to the committee for organizing these days.
