A great field of 56 players took to the course to spread some Christmas cheer in the 2 person ambrose event. Final scores were close, so the long range putt made, or duffed chip shot proved important. Andrew "Basil" Bercini teamed up with Katelyn Keogh and shot an excellent score of 62 nett to win the day. Katelyn was hoping that Basil's form from Wednesday Twilight golf would be left in the car park and that he would bring his "A" game, and it certainly looked like he did. Katelyn's form in recent months has also been very good so it was no surprise that they combined well together today. Doug and James Elphick combined well together to take second place on 62.25 nett. Brett Hutley and Murray Johanson combined well for the second week in a row to take third place with 63.25. Robert Miller and Gary Walsh used their secret drink to full advantage to post fourth place with 63.75 on a countback from Pip Lancaster and Chris O'Brien in fifth on the same score. Very good shots were needed today to win the NTP's. Neil Bridge was best on the 2nd/11th hole with 185cm. Murray Johanson has his irons working on the 4th hole, getting it to 98cm, while Bill Davies was 8cm closer off the 13th tee to the same green. Shot of the day belongs to Dave Morrow whose shot on the 9th must have looked great in the air and finished just 74cm short, while Chris Zawirski has a great Pro Shop voucher to use after Christmas after being closest on the last hole.

We wish all players a Merry Christmas and look forward to seeing you on the course in 2025.
