45 players enjoyed the 4 Person Ambrose on Thursday-always a fun event. The winning team of Greg Noble, Jimmy Sheedy, Mick Barrett and Errol Munzenberger played beautifully to record their 40.12 nett score—which equated to a gross score of 46, after having 7 birdies in their round—quite an achievement. Errol only just returned from an overseas trip including the last week in Iceland, so I'm sure he enjoyed his foray back to golf. Steve Condran's group were runners up, only 0.25 of a point behind—I'm sure there were tales of "What ifs" and missed putts—that's golf! 42.12 was needed to win a ball, showing how close the competition was for this Ambrose Event. Ruth McCarthy and Jane Johansen shared the Nearest the pins on the last, after they both sank putts from the fringe of the green—quite incredible. Greg Noble was presented with his hole in one from last week which included his ball mounted on a trophy and a cash prize. This was his first hole in one which in itself is amazing when you consider how well he hits the ball—well done Greg!
