27 players enjoyed our first Vets, Away Day, for 2025. This time the venue was Hawks Nest Golf Club. The course was turned out beautifully, and the weather was cool and pleasant, although the wind became a little challenging as the day progressed.

Today's winner was Garry Taylor, with an excellent score of 39pts. Mike Lipscombe, who also came in with 39pts, was unlucky to lose the day on countback. A few players came in with 35pts, but Peter Sekulich took out third place, also on countback. These are all solid scores on an unfamiliar course, and in the windy conditions.

Everyone enjoyed the day, and the course. Some of us wish we had played a little better, but that's golf. We could not have been looked after better by the Hawks Nest team, and plans are in place for a return visit next year.

Congratulations to all our Prize winners. Our game this Thursday, 20<sup>th</sup> Feb, is Single Stableford.
