The weather really turned on a show for our mid year Kurri GC, away golf day. A cloudless sky and pleasantly warm temperature, after the initial chill had passed. The course was in excellent condition, although most of us would have preferred slightly kinder tee placements. 41 players attended, which is the largest group we have had at one of our away days.

Gary Musialik played very consistently all day, posting the days best score of 40pts. A score well ahead of the rest of the field. Runner up, with another podium appearance, was Tony Seamer with 33pts. Tony also recorded the only Birdie of the day, on the 505m Par 5, 9th hole. Another player having a run of form, Jan Davidson, also came in with 33pts, but was unlucky to lose on countback.

Most of the group proceeded, after the round, to the Heddon Greta Hotel for lunch. The food was delicious, and plentiful, and the service and atmosphere was great.

Congratulations to all our Prize winners. This Thursday's game, is Single Stableford.

Upcoming events include: Vets Club Championships 24th & 31st of July
