Hugely reduced field today. The course was still very wet from the weekend's deluge, and no carts were allowed. It rained almost the entire morning making conditions miserable. Only one minor incident in the conditions, when a player slipped saving his buggy from rolling into the creek on the tenth. Apart from being a bit muddy, he was still smiling at the end of the day. All 12 golfers who started, finished their round.

Tim Whitney continued his good form to win the day with 27pts. Nick Wheeler's score of 25pts was good enough for the runners up prize. Grahame Sheldon, unfazed by the rain, was the sharp shooter of the day, winning both NTP prizes.

Congratulations to our Prize winners, and thanks to those Crazy Golfers who played.
