It was a beautiful Spring day at Branxton for our 4 Person Ambrose event. The course is looking green and lush, and the greens are recovering well from the recent coring. There were 13 teams competing today. Unfortunately, a few of the teams had to struggle with less than four players, which is always difficult, in an Ambrose.

The winning team today was Bill Smith, Alan Cannon, Ray Showman and James Regan with 42.62 nett. They were followed closely by Bobby Brooks, Keith Anderson, Peter Tracey & Gary Wilton on 43.00 nett. Balls were distributed to 6th place. Of note, Rodney Moylan made a welcome return, and was amongst the prizes on his first day back. His NTP shot on the 11th, proved he has lost none of his, sharp shooter, skills.

Congratulations to all our Prize winners. Next weeks Game is Single Stableford.

Names are now being taken for the **Waratah Away Day** on **Monday 20th October**. The Sheet will be circulating at Vets over the coming weeks.
