The sixth edition of the Peter Mathews Memorial Cup was played in near perfect conditions with 48 golfers turning out to honour the contribution made to Branxton Golf Club by Peter Mathews. With Kate Mathews, other family members and friends joining in the golf and the celebrations afterwards, a great day was had by all. Joe Bereza teamed up with Matthew Schnell to win the event for a second time (the other one in 2022), compiling an impressive total of 51 points. Joe also took out the singles event with 42 points, so he certainly had a good day out. Michael Carling and Tim Lane teamed up to take second place with 46 points. Michael said that he and Tim had little competitions amongst themselves throughout the round, and this inspired both of them to play well. In third place were Errol Munzenberger and Greg Noble with 45 points. Errol and Greg support this event every year in honour of one of their great mates. Geoff Geason and Ray Moeser took out 4th place, also on 45 points. Rounding out the top 5 were Paul Johansen and Mark Moylan with a well complied 44 points. ***As a result of the wonderful sponsorship from Branxton Pro Shop***, prizes continued down to ninth place, meaning all teams who scored 43 points also took home a prize. In the singles event, as stated Joe Bereza took the win, with Robert Biles in second on 41 points on a countback from Michael Carling. All players who didn't win a major prize receive a ball. The NTP's were keenly contested. Errol Munzenberger took the 2nd hole with 242cm, while Kyle Mounser, another great supporter of this event, took it on the 4th hole with 457cm. Steve Eccles had the closest NTP's today, taking it on the 9th hole with 180cm and then again on the 13th hole with a great shot to 137cm. Jeremy Matt made his tee shot on the 18th hole count, hitting it to 214cm to take the pro NTP. Robert Hale has claims for shot of the day after his chip shot from 50m out from the 3rd green took one bounce and straight into the cup for a well made par. Wayne Condon, a close family friend of the Mathews family, had the best par of the day on the 16th hole. After a wayward tee shot landed in the fallen tree on the bank near the 8th green (GUR), he played a gem with his new hybrid back over the dam. His third looked like it was going long before ricocheting off a rock in the garden next to the 17th tee and landing 4m from the pin. A steady 2 putts and an easy par 5.

Special thanks to John and Nick Dunningham for their time and effort to run the halfway house today.

Thanks also to Cypress Lakes, The Vintage and Rydges (Hunter Valley Golf Club) for their support of today's event through the donation of golf vouchers as prizes. Your ongoing support is appreciated.
