A good field of 45 players turned out for our Pairs Multiplier event. Yet another of those, "Sorry", days, where you hope your partner doesn't make birdie, when you have a wipe. The weather was fine and a little on the warm side as we approach Summer

Mick Barrett & Mike Lipscombe won the day with a combined score of 62pts. Followed closely by Garry & Ruth McCarthy, on 59pts. Early clubhouse leaders, Allan Jack & Robyn Friis rounding out the podium with 57pts

Congratulations to all our Prize winners. Next weeks Game is a Single Stableford. The scores will, again, not be entered into Connect. Vets may have to trial an alternative event format. Details will be provided next week.
