A great field of 59 players took to the course today for round 3 of the Summer Cup. The morning tee times accommodate a maximum of 60 players, so it was virtually a full field out there today. Robert Biles took the honors in A grade with 37 points, including an impressive back nine of 20 points. His score keeps him well in the mix in the Summer Cup and it will all depend on his score next week. Greg Tearle also had 37 points but had to settle for second place on a countback. Greg had a very good front nine of 20 points. Peter Conroy was back playing today after a few weeks off with grandparent duties, and his 36 points was enough for third place on a countback from Steve Eccles. Robert Hale won B grade with a great score of 37 points. Robert has been threatening a winning score for a few weeks, perhaps just wanting to beat his brother in law who was playing with him today was the motivation he needed 😊. Chris O'Brien picked up second place for the second week in a row with his 35 points, with Murray Johanson taking third with 34 points. Murray was another player to shoot 20 points on the back nine and also take the pro comp. In C grade, Leanne Daniels had a great day out shooting 37 points for the win. She was 3 points clear of Gary Walsh in second place on 34, with John Bowen in third place 2 points back on 32. There were some strong pin positions on the course today, so steady approach shots and well read putts were rewarded. In the NTP's, Tim Lane took the 2nd/11th with 172cm. Mark Moylan picked up the NTP on the 4th hole for the second week in a row with 313cm, while Mark Faulkner hit a great shot into the 13th hole leaving it 160cm from the pin. James Elphick had shot of the day, with his tee shot on the 9th stopping 106cm from the pin, while Mitch Saxby celebrated a great shot on the 18th to 190cm to pick up the biggest Pro NTP prize so far this year.

The Summer Cup leader board after Round 3 are below. All players now have two of their best three scores confirmed (lilac colour). With one round left in the Men's Summer Cup it is still up for grabs as many players will be including their round 4 score in their best three. Out of the players who have played all 3 rounds so far, Steve Eccles has a commanding lead with 109 points, with Geoff Jones second on 101 points and David Kinch and Robert Miller on 100 points. From the group of players who have to include their round 4 score, Robert Biles and Chris O'Brien are certainly still in contention.
