Another strong field of 54 players took to the course today for round 4 (final round) of the Men's Summer Cup. Steve Eccles held on to win the 2026 Summer Cup with a great score of 109 points. His first 3 rounds of 36, 37 and 36 points did the job. Steve was 5 points clear of runners up Steven Primmer and Robert "Bob" Biles, both on 104 points. Steven had a very good round today that pushed him into second place, while Bob didn't have a great day but scored well enough to share second place. Thanks to all players who competed in this year's event. Final scores on pages 2-3. This was Steve's third Summer Cup win in the last four years – a tremendous achievement.

In today's stableford competition Greg Tearle went one better than last week and won A grade with a handy 35 points. Nick Wheeler found some form to score 34 points in second place, with Michael "Mick" Simpson taking third with his 34 points playing off his 3 handicap. He also did a great job as caddy for his playing partner Melodi, making sure her sticks were always put away correctly after picking them up from some places around the course that you don't usually see golf clubs 😊. In B grade, Andrew Keogh had the best score of the day with 40 points and first place. A well made 21 points on the front nine got his round off to a strong start, and even with a miss on the 17th he still managed a great score. Murray Johanson is working on reducing his handicap after another strong score of 38 points to take second prize. Mick Martin had a strong back nine to take third place on a countback from Ed Garland. Not for the first time, the top three players in C grade all had the same score of 38 points and countbacks were needed to separate them. Countback scores of 19, 18 and 17 resulted in Norm Pringle taking the win ahead of Gary Walsh and Richard Crooks. Worthy of note in C grade today was that the players in 4th (James Wilson), 5th (Zac Henry) and 6th (Dean Clack) also all had the same score of 37 points. It was certainly close at the top in C grade today.

In the NTP's, Zac Henry was the best of the field on the 2nd/11th getting it to 164cm. Robert Biles had a few good holes today, and the 4th was one of them taking the NTP with 383cm. Shot of the day belongs to Bryan Worms, with an outstanding iron shot to the 13th hole to 41cm. It must have looked good in the air and yes, the birdie putt was successful. Steve Eccles finished very well, taking the NTP and Pro NTP on the 18th hole, stopping it at 249cm to round off a great event for him.

Pennant shirts can be collected from the Pro Shop. Next Saturday is the February monthly medal, sponsored by IGA Braxton. The reconstruction of the 1st green starts on Monday 2/2/26, and a temporary green will be in play until further notice. Advance notice that the annual KCE Day will be on Saturday 28/2/26 and is an American Foursomes event. Start planning who your partner will be in what has become a great team event on the calendar.
